Kara Eastman Shows Financial Strength in Nebraska's Second Congressional District Race

CEO of Omaha Healthy Kids Alliance and Vice-Chair of the Metropolitan Community College Board of Governors, Congressional Candidate Kara Eastman has raised over \$100,000 for the Democratic Primary in the Nebraska Second Congressional District in 2018.

At the end of the FEC Q3 reporting period, the Eastman for Congress Campaign:

- Raised more than \$100,000 from 561 donations, with 444 unique donors.
- Received 70% of donations (\$70,731) from Nebraskans.
- Received 456 donations (81% of total donations) under \$200 dollars.
- Has not taken donations from Political Action Committees (PACs).

Kara Eastman states:

The number of Nebraskans that have financially contributed to our shared vision for the future of the Second District is a testament to the power of our shared values. They are passionate about the issues that directly impact us in our homes in the Cornhusker State - jobs and the economy, healthcare, education, and the environment.

I'm not a politician. I'm a working mom. I'm a social worker. I'm running for Congress because I have a record of getting things done. We are on track to win the Democratic Primary in May and take back the Second District in November.
