Kara Eastman Says Don Bacon Forgot His Commitment to Nebraskans

Kara Eastman, the President and CEO of Omaha Healthy Kids Alliance, the Vice-Chair of the Board of Governors of Metropolitan Community College, and the only life-long Democratic Congressional Candidate running in the Nebraska Second House District, is disappointed Congressman Don Bacon chose to vote for the GOP Tax Plan today, forgetting his commitment to Nebraskans who rely on the important deductions this bill eliminates.

Kara Eastman states:

“Now is the time for us to stand up and say we will no longer support policy makers who do not fundamentally understand the needs of the vast majority of Americans. This bill is nothing more than a thinly veiled attempt to benefit those who can afford to pay more, including large corporations, at the expense of the middle class.”
