### **Kara Eastman Receives Third Union Endorsement**

Today, the Insulators Local #39 have endorsed Kara Eastman for Congress in Nebraska's 2nd Congressional District. The Insulators represent over 200 members across Nebraska. Kara is honored to have received the first endorsement from our brothers and sisters in labor for the 2018 primary and is committed to standing with working and middle class families.

Marvin Marshall, Business Manager of Insulators & Allied Workers #39 states:

**"Insulators Local #39 voted unanimously to endorse Kara Eastman. We're proud to support her campaign for Congress. We think she's got what it takes to win and support organized labor in Washington."**

Kara Eastman states:

**"I am honored to have the support of the Insulators #39. I will continue to fight for our shared values -- fair wages, economic growth and job creation. To rebuild our economy, we must put our workers first and take on the special interests that are only looking out for corporations. It is possible to both create new jobs and pay people fairly."**

*Kara is the President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the only life-long Democrat running for Congress in Nebraska's Second District.*
