Kara Eastman Pledges to Refuse NRA Money

Kara Eastman pledges to refuse NRA money and calls on her opponents in Nebraska's Second District to do the same. Unfortunately, Congressman Don Bacon already has accepted over \$18,000 from the NRA. Our government needs to take bold steps to ensure that our children are safe at school and that our neighborhoods are safer. The majority of Americans support common-sense gun safety legislation, and it's time our government listens to them and acts.

Kara Eastman states:

"I have not, and will not, accept money from the NRA, and I call on my opponents to do the same. It's time to listen to students, parents and teachers, not the gun lobby. We must pass a ban on the sale of weapons of war, institute universal background checks, and ensure longer waiting periods for gun purchases. Our children's lives depend on it."

Kara is the President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the only life-long Democrat running for Congress in Nebraska's Second District.
