Kara Eastman is Ready to Bring Her Experience to Washington

This afternoon, Kara Eastman participated in the first debate of this primary race, hosted by League of Women Voters of Greater Omaha and the Omaha Press Club. Kara's strong performance is reflective of her experience and readiness to represent Nebraska's Second District in Congress.

"I appreciate the opportunity to share my ideas and experience with the district, and I am excited to get to Congress to put these ideas into action," Kara Eastman stated after the debate.

"Now, more than ever, we need a representative in Congress who is willing to stand up and fight for the values we all share and for the needs of middle-class Americans. I am known for my ability to bring people together to get the job done, and I am looking forward to doing that for Nebraska's Second District."

Kara is the President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the only life-long Democrat running for Congress in Nebraska's Second District.
