Elizabeth Warren endorses Kara Eastman for Congress in Nebraska's Second District

June 27, 2018 - Omaha, NE. Today, U.S. Senator Elizabeth Warren endorsed Kara Eastman in Nebraska's Second District House race. Warren's endorsement highlights the need for principled leadership in Congress at a time when the current administration has shown a disregard for morals and human rights.

Elizabeth Warren released this statement of endorsement:

"I'm delighted to endorse Kara Eastman as she takes on this fight for Nebraska's second district. Our country needs strong, compassionate leaders like Kara. She embodies progressive values and will fight for working families as we hold this administration accountable."

Kara has also been endorsed by EMILY's List, the Congressional Progressive Caucus, Justice Democrats and the Progressive Change Campaign Committee (among others) in her race for the NE-02 seat.

Kara Eastman is the President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska's Second District.
