JAC ENDORSES KARA EASTMAN FOR CONGRESS

JACPAC is proud to endorse Kara Eastman for Congress from Nebraska's 2nd Congressional District.

Kara understands that access to affordable health care, education, and economic opportunities are the key to improving the lives of Nebraska's families. She will work to find common sense solutions to our problems and to ensure that opportunities are available to all.

Kara will put principal over politics to get the job done in Washington.

Joint Action Committee for Political Affairs (JACPAC) is a national network committed to the special relationship between the US and Israel and a social agenda that includes reproductive choice and separation of religion and state. JACPAC supports US Senate and House candidates who uphold this agenda and maintains ongoing dialogue with those it helps elect.
