Another victory for Kara Eastman at the Press Club Debate

Kara Eastman continues to dominate debates with Congressman Bacon by laying out a clear, bold vision for Nebraska's Second District.

Kara Eastman states:

"I am proud to represent Nebraska's values, which my opponent has left behind. We need leaders in Congress who will stand up to the President and put the needs of the district first. We need representatives who will amplify the voices of Nebraskans and fight for affordable health care, debt-free education, and an economy that works for all of us."

Kara is the former President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska's Second District.
