**Kara Eastman picks up another LGBTQIA+ endorsement.**

Omaha, Neb. -- Kara Eastman has added the Equality PAC to her long list of LGBTQIA+ support and endorsements. The Equality PAC has made its mission to support LGBTQIA+ allies and openly gay candidates running for public offices.

**Representative Mark Takano, Co-Chair of Equality PAC says:**

"We need more candidates like Kara, candidates that are willing to fight for equal rights, and be a true ally to the LGBT community. Kara's opponent has made it clear that he does not support equality. It's time that everyone is represented in our government and we are proud to support Kara in Nebraska's Second District."

**Kara Eastman responds:**

"I have strived to be an ally for the LGBTQIA+ community and have stood for equality my entire life. All Americans must be able to love whomever they choose, live out loud, thrive in their chosen professions, and live without fear. It is time that we have more representatives that will fight for equality and truly represent all people who make up our nation."

*Kara is the former President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska's Second District.*
