Kara Eastman picks up endorsement from Elect Democratic Women

Omaha, Neb. -- Kara Eastman has been endorsed by Elect Democratic Women. Representative Lois Frankel, a member of Elect Democratic Women, had this to say about Kara Eastman:

"This is the year we elect more people who better represent the makeup of our great country. Elect Democratic Women was created to do just that: elect more women, more women of color, more women of different backgrounds and cultures, to create a Congress that reflects the nation as a whole. Kara Eastman will be the first woman to represent Nebraska's Second District. She will be a champion for all of Nebraska's families."

Kara Eastman responds:

"It is past time for equal representation at all levels of government. When elected, I will be the first woman to represent Nebraska's Second District. I am proud to have the endorsement of Elect Democratic Women, and am looking forward to serving alongside the other women they have worked to support in Congress."

Kara is the former President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska's Second District.
