Kara Eastman states:

“I will never forget when Obama said, ‘Hope is that thing inside us that insists, despite all evidence to the contrary, that something better awaits us if we have the courage to reach for it, and to work for it, and to fight for it.’

“This endorsement comes at a time when many Americans are eager for change, to elect representatives whose values are their own, who are willing to work for the families in their district. We are all hopeful for a brighter future, and are ready to work and fight for that change.”

Kara is the former President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska’s Second District.
