New Poll Shows Competitive NE-02 Race

Roll Call reports [“Nebraska Democrat Kara Eastman Within Striking Distance of Rep. Don Bacon, Poll Finds”](#)

[See the poll from Greenberg Quinlan Rosner Research.](#)

Kara Eastman states:

“I am excited to announce that we are within striking distance of winning in November. This poll proves that the barrage of attack ads being run by Paul Ryan’s CLF Super PAC are not persuading voters in the district. Voters are sick of being lied to and are tired of the dirty political games being played at their expense. We will continue to work hard, focusing on speaking to voters at their doors about the issues that matter to them so we can be victorious on election day.”

Kara is the former President and CEO of Omaha Healthy Kids Alliance and the Vice-Chair of the Board of Governors of Metropolitan Community College. She is the Democratic nominee running for Congress in Nebraska’s Second District.
